## New Overdraft Rules for Your Debit/Visa Check Cards

### What You Need to Know about Overdrafts and Overdraft Fees

The Staff and Board of Directors at MERHO Federal Credit Union want our members to know that we consider you "a part of the family." You are not just a customer or an account number, but a member, a member that we strive to treat with the utmost respect and courtesy.....just like we want to be treated.

Due to regulatory changes adopted by the Board of Governors of the Federal Reserve, we are now required to change our standard overdraft practices that apply to all checking accounts. First, it is important that you understand what is meant by the term "overdraft". An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. Currently, our standard practices link your checking account to your savings account (**share 1 only.**) An amount will automatically pull from that savings (if your checking account becomes overdrawn) to cover a transaction at no charge. **This will continue with no change.**

Our standard practice also permits MERHO FCU to authorize and pay overdrafts at its discretion for: checks, ACH transactions, bill-pay transactions, ATM transactions and debit card transactions. However, these regulatory changes will require MERHO FCU *to discontinue* overdraft services for ATM and debit card transactions unless you agree to "OPT-IN." \*You may revoke this service at any time and cancel your debit card.

*This means that unless you authorize us to continue to pay overdrafts on your ATM and debit card transactions, at our discretion, we must decline any ATM or debit card transaction that overdraws your account.*

### What fees will I be charged if MERHO FCU pays my overdraft?

Under our standard overdraft practices:

- We will charge you a fee of \$30.00 each time we pay an overdraft.
- Also, if your account is overdrawn for 5 or more consecutive business days, we may charge you an additional \$5 per day.
- There is no limit on the total fees we can charge you for overdrawing your account.

### What if I want MERHO FCU to authorize and pay overdrafts on ATM and everyday debit card transactions?

If you want us to authorize and pay overdrafts on ATM and everyday debit card transactions, complete form below and return to one of our offices or mail to MERHO FCU, 194 Donald Lane, Johnstown, PA 15904. Form must be returned and be on file or we will **NOT** pay overdrafts on ATM and everyday debit card transactions. **Excessive overdrafts will then be subject to suspension of your debit card privileges.**
